

## **Philosophy Mission Statement**

The mission of the BA degree program in Philosophy is to prepare undergraduate students for lives of deep reflection, social engagement, and cultural critique, so as to be persons of deep faith and thoughtful action. Students develop skills of argumentation and critique as well as an understanding of the historical development of ideas and theoretical traditions in a variety of contexts and cultures. Moreover, the Philosophy major is 27 credits, making it excellent for those students who want to double major. The major prepares students for future work in law, non-profit organizations, service fields, analysis, and graduate studies in a variety of fields.
